DESCRIPTION

Welcome to this stunning 4-bedroom, 3.5-bathroom residence in the highly sought-after Loma Vista Community of Yorba Linda. Built by Lennar, this desirable Magnolia Plan 3 offers the perfect blend of modern style, comfort, and functionality across three thoughtfully designed levels. The gourmet kitchen serves as the heart of the home, featuring granite countertops, a large center island, soft-close white cabinetry, and premium GE Profile stainless-steel appliances. The open-concept design flows seamlessly into the spacious family room, creating an ideal space for both everyday living and entertaining. Step outside to the private balcony, perfect for enjoying your morning coffee or relaxing after a long day. Thoughtfully upgraded throughout, the home features a QuietCool whole-house fan system, custom plantation shutters, a tankless water heater. A highly desirable first-floor bedroom with a private bathroom offers flexibility for guests, multigenerational living, or a home office. On the third level, the spacious primary suite features a large walk-in closet and a beautifully appointed bathroom with dual vanities. Two additional bedrooms complete the upper floor. Residents enjoy resort-style amenities including a sparkling pool, lounge area, and playground. Ideally located just minutes from Yorba Linda Town Center, shopping, dining, parks, hiking trails, and award-winning schools. Rarely available and move-in ready, this exceptional home offers the best of Yorba Linda living in one of the area's most desirable communities.

Estimated Value

RealAVM™:	\$1,039,100	Estimated Value Range High:	\$1,130,200
Estimated Value Range Low:	\$948,100	Value As Of:	05/26/2026
Confidence Score:	84	Forecast Standard Deviation:	9

(1) RealAVM™ is a CoreLogic® derived value and should not be used in lieu of an appraisal.

(2) The Confidence Score is a measure of the extent to which sales data, property information, and comparable sales support the property valuation analysis process. The confidence score range is 60 - 100. Clear and consistent quality and quantity of data drive higher confidence scores while lower confidence scores indicate diversity in data, lower quality and quantity of data, and/or limited similarity of the subject property to comparable sales.

(3) The FSD denotes confidence in an AVM estimate and uses a consistent scale and meaning to generate a standardized confidence metric. The FSD is a statistic that measures the likely range or dispersion an AVM estimate will fall within, based on the consistency of the information available to the AVM at the time of estimation. The FSD can be used to create confidence that the true value has a statistical degree of certainty.
